NOTICE-AND-ACCESS

You are receiving this notification as Xigem Technologies Corporation has decided to use the notice and access model (“Notice and Access”), provided for under recent amendments to National Instrument 54-101, for the delivery of meeting materials to its shareholders. In respect to the Corporation’s annual general and special meeting of shareholders to be held on July 8, 2025, instead of receiving paper copies of the Corporation’s management information circular, audited annual consolidated financial statements and MD&A for the year ended December 31, 2024, and other meeting materials (the “Meeting Materials”), shareholders are receiving this notice with information on how they may access the Meeting Materials electronically. However, together with this notification, shareholders continue to receive a proxy or voting instruction form, as applicable, enabling them to vote at the Meeting. The use of this alternative means of delivering Meeting Materials is more environmentally friendly and will reduce the Corporation’s printing and mailing costs.

Shareholders are reminded to view the meeting materials PRIOR to voting.
